## *Greetings from API!*

Alliance Publications, Inc. in Sinsinawa and Fish Creek, Wisconsin, was founded in 1989 by music educators, Anita Smisek and Joel Blahnik, to bring quality music to all. Presently, the API catalogues include the music and recordings of more than 200 selected artist-composers from here and abroad.

Of special interest are the works of a number of prominent Czech and Slovak composers not to be found anywhere else—our *specialty*. This is music from the 'conservatory of Europe' representing more than 80 national artists. All music under contract is listed within although not all is published at this time.
